## LANGUAGE WORLD

Language World was established in 2000 as the sister company of E\*Public both becoming the most reliable names for English education among teachers, parents, and students in Korea. Today, together both companies are the leading educational publishers specialized in high-quality English Language Teaching (ELT) materials for English Language Learners (ELLs).

All publications developed by Language World and E\*Public were integrated into the new brand of A\*List, representing the best contents for ELLs. Our programs are carefully designed for the PreK-12 levels and are based on solid language education methodologies and pedagogies.

'Easy to approach, easy to understand, and easy to reach higher goals' is the corporate philosophy of Language World. We continuously search for effective ways to make learning English entertaining and innovative based on our philosophy. We focus on high-quality programs that engage students to become confident and competent learners not only in English language learning but also in their academic works.

We assure that our commitment makes us the best partner for teachers, students, and yourself.
